Welcome

Call to Worship

One: We come to worship today in search of living water.

All: We do not live by bread alone, but by every word of God.

One: We come to remember that we are human.

All: We are humbled before God, loved by God, and fed by God.

One: We come not just to receive but to give, as the prophet calls:

All: If we offer food to the hungry and provide for the afflicted, our light will rise in the darkness.[†]
